Helping your child navigate the process for selecting a college is a challenging task. Please join us for an informational session on how to help your child choose a college that is the best fit for them.

We will cover the following topics:

1. Creating a List of College Choices
2. College Visits----When to Start?
3. Narrowing the Choices
4. Applying to Colleges

For additional information please contact Jennifer Hulme at 972 882-7351
